## **Important Information: Mandatory Reporting of Child Abuse Regime (Parents)**

The Mandatory Reporting of Child Abuse Ordinance ( "the Ordinance") will come into effect on 20 January,2026. The Ordinance provides that 25 categories of specified professionals from the social welfare, education, and healthcare sectors must report suspected serious child abuse cases. To promote messages on child protection to parents, parents may download the Government promotional video, posters and leaflets related to the Ordinance, via the following links, for more information.

Please refer to the attachment for details. Thank you!
